All applicants will receive an email confirmation with full job description

All applicants will be sent Starkville Pregnancy Care Center's Statement of Faith, Mission Statement, Statement of Principle, and Purity Pledge to be signed and returned.

### **Brief Description of the Clinic:**

Starkville Pregnancy Care Center is a Christ centered ministry seeking to reach women and their families who are facing unexpected pregnancies and offering them hope and options. We are a medical clinic offering pregnancy testing and limited ultrasounds. In addition, client advocates educate clients on all pregnancy options. We also facilitate abortion recovery studies and support to women who have experienced an abortion which will allow them to experience forgiveness and healing. In the future we plan to expand by offering STI testing. One of the main demographics we target with our marketing is the students on the campus at Mississippi State University. We want to be a welcoming, safe haven for all who enter our clinic - a place where our clients "see" Jesus through the love and care shown to them by our staff and volunteers.
