

Nurse Manager – Granite City

Ministry Overview:

Mosaic Pregnancy & Health Centers (Mosaic PHC) is a pro-life Christian ministry offering free, caring and confidential services to men, women and their families facing an unplanned pregnancy and/or sexually transmitted infection (STI) in the St. Louis metro-east area. For more information on Mosaic, visit us at www.supportmosaic.org.

Position Overview:

Mosaic PHC is seeking a committed Christian with a passion for ministry and serving others to fill the position of Nurse Manager. The **Nurse Manager** is responsible for the organization's nursing services including the delivery and administration of our ultrasound and STD testing programs.

- Part-time (30 hours per week) hourly position (Monday – Thursday) with some flexibility for evening hours (until 6:00 p.m. one or two days a week)
- Competitive salary (depending on experience)
- No health insurance or benefits offered
- Ultrasound experience not necessary, training will be provided

Qualifications:

- Have a deep and committed relationship with the Lord Jesus Christ
- Be submitted to a local church (will be asked to provide pastoral reference)
- Exhibit strong commitment to the pro-life position and sexual purity
- Hold a current Registered Nurse's License in good standing with the State Medical Board
- Great organizational skills along with the ability to carry out multiple tasks at one time
- Heart for ministering and counseling men and women facing unplanned pregnancies and/or sexually transmitted infections

To Apply:
